

Carrie Ann's Manifesto for Boys Growing Up:

"I'm original. I'm me."

"I allow myself to be a beginner. Nobody starts off excellent."

"My words are powerful. Emojis are not."

"My muscles don't show my true strength. True strength comes from the heart."

"If I don't step forward, I will always be in the same place."

"Nobody expects me to save the world. Otherwise, I would have been born wearing a cape."

"I AM original. I'm me."
