

Carrie Ann's Manifesto for Girls Growing Up:

"I'm a limited edition."

*"I'm gaining wisdom
not losing innocence."*

*"My words are powerful.
Emojis are not."*

*"My bra size is not
an indication of my
heart's size."*

*"I'm focused on being
'be-YOU-tiful' and less
about being beautiful."*

*"Vintage is cool, which
means my mom and
grandma are cool."*

*"Yes, I **AM** a
limited edition."*
